

## Product Features

**Electrical Specification:** T<sub>Ambient</sub> = 25° C

| Parameter       | Frequency Range | Units | Min | Typical | Max | Notes |
|-----------------|-----------------|-------|-----|---------|-----|-------|
| Frequency Range |                 | GHz   | 2.0 |         | 6.0 |       |

## Mechanical And Environmental Specifications:

| Parameter       | Description | Notes |
|-----------------|-------------|-------|
| Connector 1     | N Female    |       |
| Connector 2     | N Male      |       |
| RoHS Compliance | Yes         |       |
